

## OUR STORY

Our founders felt called to establish a place where individuals felt a sense of family, a place to call home.

Link homes is born out of the burning desire to serve people while making a difference in their lives. We believe that life is not meant to be lived alone and that we need continued support to flourish.

## OUR WHY:

Our mission is to provide safe, stable and affordable housing to those in need in our community.

# WELCOME TO LINK HOMES

We are committed to providing a safe, comfortable, and affordable living space that will help you transition to a self-sufficient independent life.

## Link Homes

### We Offer All-inclusive Affordable Housing!

We are committed to providing a safe, comfortable, and affordable living space that will help you transition to a self-sufficient independent life.

Our goal is to serve you and link you to the resources necessary that will help you become successful in your new journey.

### Why Rent from Link Homes?

Here at Link Homes we believe that homelessness is unacceptable and that everyone should have access to a place to call home!

All our homes are specifically designed to provide housing to a particular demographic. Our goal is provide safe, stable, clean, substance abuse free homes for adults who may be in need of housing.

Whether the arrangement is transitional or permanent, we want to be your bridge to stability.
